

Bibliography for the article:

Pietrzak-Pawłowska, I. (1974) 'Features of Industrialization of Agricultural Countries in Europe (up to 1918)', *Studia Historiae Oeconomicae*, 9, pp. 181–196.

https://doi.org/10.14746/sho.1974.09.1.012

Text of article:
https://pressto.amu.edu.pl/index.php/sho/article/view/57885

The bibliography was prepared based on the footnotes by Mgr Marta Stawska-Puchalska and Dr Jakub Kujawa.

The institution that stores the source material is the Library of the Collegium Historicum of Adam Mickiewicz University in Poznań.

http://bch.amu.edu.pl

The task was completed as part of the project "Digitisation of archival editions of scientific journals collected by the UAM Coll. Historicum Library", carried out by the Collegium Historicum Library of Adam Mickiewicz University in Poznań, Poland, during 2024–2026. This project was co-financed from state budget funds granted by the Minister of Science of the Republic of Poland within the framework of the Programme "Social Responsibility of Science II. Support for Scientific Libraries" (agreement no. BIBL/SP/0092/2024/02 of 05.12.2024). Total value of the project: PLN 247,236.00. Amount of co-financing: PLN 220,836.00.
